STATEMENT OF SUPPORT TO PROTECTION OF SACRED
INDIGENOUS SITE

We, the Board Members of Urban Sanctuary of San Jose, has agreed unanimously to oppose the proposed sand and gravel quarry at Sargent Ranch (Juristac). This land is of immense biological and cultural importance to our entire region, and should be preserved for conservation. We urge the County of Santa Clara not to allow this unique place to be developed with a quarry.

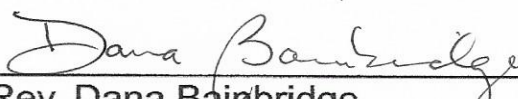

Urban Sanctuary of San Jose (California)
80 S. Fifth Street.
San Jose CA 95112
