- Once it is released, we will be asking as many people as possible to review the DEIR and send in substantive **comment letters** critiquing the draft and expressing opposition to the project.
- **Sign up** as a volunteer for the campaign by emailing protectjuristac@gmail.com or contacting Friends of Juristac via FriendsOfJuristac@gmail.com and visit friendsofjuristac.org for info about upcoming meetings of the Santa Cruz, South Bay or Watsonville groups. Come up with other creative ways to get the word out and build a larger base of support within Santa Clara County!
- **Organize** an event to educate the public about Juristac—preferably somewhere in Santa Clara County—and invite tribal members to speak.
- **Take some time** to read the website and review related reports, videos, webpages and books to further educate yourself about the issues involved and the Amah Mutsun Tribal Band.
